

HILDEBRANDT CLUBS AND ORGANIZATIONS

Adopt a Shelf

Adopt-A-Shelf Club Volunteer opportunity opened to all Hildebrandt students and designed to encourage our students to take an active role in the library. Meeting times: Every Monday from 8:30 – 9:00 AM. Sponsor: Mrs. Wuensche, awuensche@kleinisd.net.

Coding Club

The Coding Club is a great way to learn about programming with your friends. The club's goal is to teach students to code and program using code.org, CodeAcademy, Scratch and other interactive student-friendly interfaces using the Chromebook. From absolute beginners to advanced levels, students will collaborate and discover how to play and create their own programs. Sponsors: Ms. [Redmon](mailto:redmon@kleinisd.net), aredmon1@kleinisd.net and Mrs. [Wuensche](mailto:wuensche@kleinisd.net), awuensche@kleinisd.net.

Destination Imagination

Destination Imagination is a national organization that challenges your creativity, courage, curiosity while teaching you how to think, not what to think. Any 6th, 7th or 8th grader may try out to be on the DI Team! Requirements include a "C" or better academic grade for fall semester, no conduct grades of "U" and no more than one "P", no more than two detention assignments. These teams will be for the whole year once tryouts have been held. They are comprised of 7 members that will write a script, make a back drop and a device, and use costuming to provide a solution to a problem in a theatrical way. Sponsors: Mrs. Blain, kblain1@kleinisd.net, Mrs. Machado, lmachado1@kleinisd.net and Ms. Kenah Lofton, klofton1@kleinisd.net

Film Club

The mission of the club is to promote visual storytelling by allowing students to write, film, edit, and create their own short films or animations in a nurturing space for exploration and collaboration. We will meet Tuesday mornings starting at 8:15 am and Fridays during LEAD in room 401. Sponsor: Mrs. Galloway, jgalloway3@kleinisd.net.

Makerspace Mondays

Create, Innovate and Unwind at Makerspace Mondays using a variety of technology equipment and arts and crafts supplies. All makerspace supplies are available for use on Mondays at 8:30 am in the Hildebrandt Library. Sponsor: Mrs. Wuensche, awuensche@kleinisd.net.

Math Club

Hildebrandt's Math Club is for any student who enjoys math or wants a challenge, likes to play math games, and enjoys a friendly competition against other mathletes. During our regular meetings, we will focus on number sense and problem-solving strategies. We will also tackle interesting and challenging problems. Math Club meetings will take place at Hildebrandt during Mustang Lead on Wednesdays. There will be opportunities to participate in weekend math competitions. Sponsors for the 2017-2018 are Mrs. McMath, cmcmath1@kleinisd.net and Mrs. Zagal, tzagal1@kleinisd.net.

Mustangs For Christ

Mustangs for Christ is a Christian club at Hildebrandt open to all grade levels. We'd love to have you join us! Interested students should have an interest in developing their Christian faith and growing to understand the word of God from the Bible, and an interest in developing a closer relationship with God through prayer. Activities include Bible study and prayer, "See You at the Pole", Christian rock concerts, Christmas party, Toy and clothing drive and teddy bear collection. We'll begin our day with praise and

worship music and encouraging each other to be the salt and light of Hildebrandt. Please visit <https://goo.gl/sbysqD> for more information. Sponsor: Ms. Schmidt, mschmidt2@kleinisd.net.

National Junior Honor Society

To be eligible for membership in NJHS, a student must demonstrate outstanding scholarship, character, citizenship, leadership and service. First semester grades must average at least a 90. Conduct grades should always be an "E" or an "S" in all classes. Only one "P" is allowed. Students with conduct grades of "U" will not be eligible. Students who wish to be considered for membership in NJHS must turn in the required Student Information Form in the spring after notification of eligibility. This form along with teacher ratings are used by the Faculty Council to determine if the student will be invited to be inducted. This organization is open to grades 7 and 8 only who are enrolled from the first day of school who meet the grade and conduct requirements. The sponsors will notify students in the Spring Semester if they are eligible. Members operate the school store and serve as needed throughout the school year. Members are required to attend meetings and obtain service hours. Sponsors: Ms. Carr, ccarr@kleinisd.net and Mrs. Wuensche, awuensche@kleinisd.net.

No Place For Hate Bullying Awareness Club

The No Place for Hate® program empowers school communities to promote respect for individual and group differences while challenging prejudice and bigotry. While bullying is an unacceptable example of lack of respect for others this is more than just a Bullying Awareness Club at Hildebrandt. Our goal is to promote respect for all in our school community and appreciation for diversity. Communication, understanding, and respect for all are promoted through school wide activities hosted by the club. Group meetings occur monthly with the days and times to be announced. The No Place 4 Hate Club is made up of 7th & 8th grade students committed to being the change they want to see in the world. Sponsors: Ms. Palmer, apalmer1@kleinisd.net and Mr. Hoffman, whoffman1@kleinisd.net

Pentathlon

Pentathlon is an academic competition for 7th and 8th graders in 5 different subject matters: science, math, social studies, fine arts, literature and a team super quiz. There is a district meet and a regional meet where students have the chance to place and win medals. They even have a chance to compete nationally, like last year's 7th graders did. Every year the topic changes with this year being Africa. Sponsors: Ms. Harvey, tharvey1@kleinisd.net, and Ms. Vanderford, xvanderford1@kleinisd.net.

Robotics

The Hildebrandt Robotics team participates in the First Tech Challenge program. Students develop STEM skills and practice engineering principles (such as keeping an engineering notebook). Team members are expected to attend all club meetings, a regional training at San Jacinto Jr. College and 4 team qualifying competitions. Teams that advance will compete in semi-finals and beyond. The competition team is limited to 10-15 7th and 8th graders. Sixth graders will have the opportunity to join without competing. The team is formed early in the year. Sponsor: Ms. Redmon, aredmon1@kleinisd.net.

Student Council

Student Council is a student leadership organization. Student Council is open to all students at Hildebrandt. The organization will run events like red ribbon week, faculty breakfasts, and we plan dress up days and other spirit activities. Student council also participates in community fundraisers, such as Relay for Life through the American Cancer Society. The goal of our organization is to build student leaders and get students involved in activities at their school and community. Student council meets at least once per month on Wednesday mornings. Sponsor: Ms. Iglesias, jiglesias1@kleinisd.net
