Dear Hildebrandt Students, Parents/Guardians,

Welcome to a brand new school year! We at Hildebrandt are thrilled to be starting a new year of student learning, growth, and success. Please carefully read the information below to find out information about textbook distribution.

The math and science resources are consumable, meaning that they are not tracked by district bar codes, and do not need to be returned at the end of the year. As a result, the only student textbooks available for check out/return are the following: social studies, foreign language, and ELA. Therefore, the textbook distribution schedule is as follows:

1st week of school:

Math and science teachers will distribute consumable textbooks to each student for personal/classroom use.

2nd week of school:

All students will receive *textbook permission letters* from their ELA teachers to be taken home and signed by a parent or guardian. If you choose to check out a book for any of the aforementioned subjects, the book becomes your financial responsibility if lost or damaged, and must be returned at the end of the year.

8/30 and 8/31 (See teacher for specific day):

Textbooks will be issued to students through their SS class. Students may only be issued a textbook *if they bring their signed parent permission letter to school on the correct distribution day. The permission form is located on the back of this letter.* The signed letter will act as your acknowledgement that these books must be returned to campus in good condition at the end of the year, or the whole cost of the book will need to be paid. *No textbooks will be distributed on the class distribution days without a signed parent permission letter.*

All textbook distribution is *optional*, and students are encouraged to ask their teachers to recommend the need for checking out a book as class sets are kept in every classroom. Also, all textbooks are available online in full with supplemental features. The online log in information for students will be issued by teachers.

Also, please be reassured that even though there is a scheduled distribution, if at any time throughout the year it is determined that a hard copy of the textbook is required, they can always be checked out through the assistance principal's office by calling 832-249-5053 to set up an appointment. Also, please keep in mind that the only books issued by the school are the ones mentioned above.

Thank you in advance for all of your support of our textbook procedures and we look forward to an awesome year at Hildebrandt!

Best Regards,
Monica Shallenberger
Assistant Principal

Student Textbook Distribution Permission Form

I would like my child to receive a textbook for the following course:

(Only available books are Algebra, ELA, Social Studies, Spanish I, Spanish II, French I and French II)

Child's Name: _____

Student ID #: _____
