MUSTANG CHALLENGE

Current Mustangs athletes; We are moving towards getting you ready for high school and all aspects of life. It is imperative that you and your parents understand your role as a Mustang Student-Athlete. The expectations for you will be higher than you have ever experienced here at Hildebrandt. We are not lowering the standard for excellence within our Hildebrandt Community. If you believe that you can adhere to the duties and responsibilities of being involved in athletics here at Hildebrandt, you and your parents must sign our commitment on the bottom of this page. We are calling it the Mustang Challenge. Your commitment to uphold your challenge to the athletic department, as well as Hildebrandt Intermediate, will not expire. Once you move on to High School, your challenge continues with your high school career. The discipline, responsibility, character, and integrity you learn from Hildebrandt, will follow in high school throughout your life. Remember you will never be able to choose every situation, but you can choose the attitude you toward any situation.

The MUSTANG CHALLENGE (initial each challenge and sign at the bottom)
